I Want to Quickly Become an Adult

Daichi-kun! What happened to your homework?
It has been cast into the depths of the void.
You're not going to deceive me by being poetic!
People who don't do their homework have to stay behind! I won't let you go home until you finish it!
Ehhh I don't wanna!
Daichi.
If you don't do it
You'll become like me.
Asahina-sensei your class was being praised by the vice principal for having the highest homework delivery ratio!
Is there a secret to that?
I the kids learn from bad examples. I guess...
